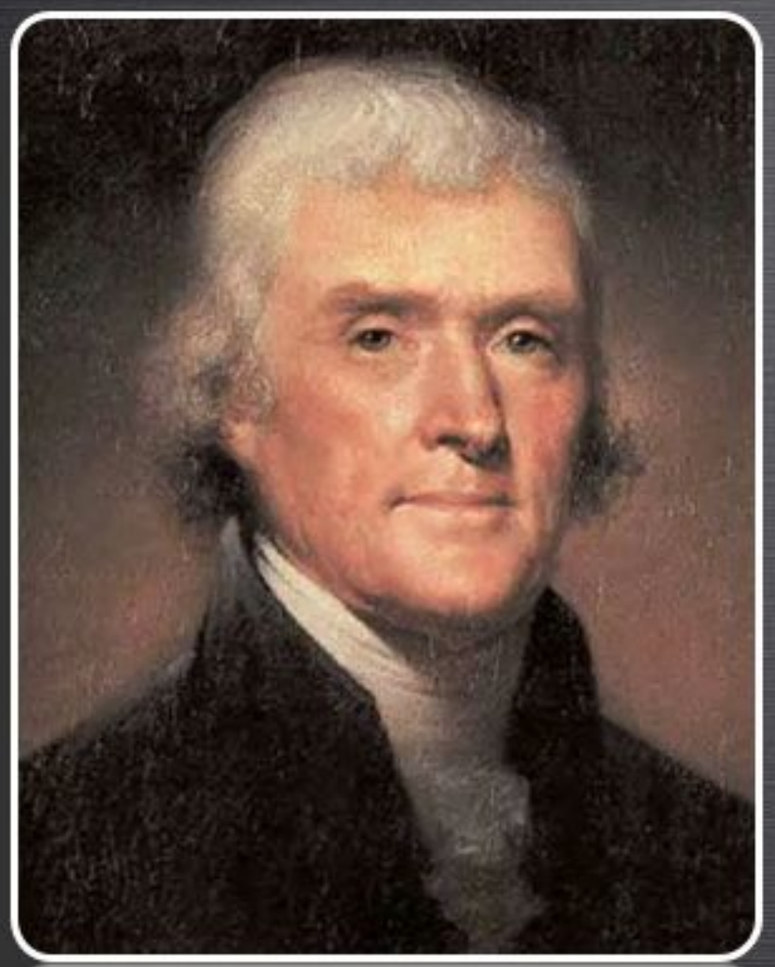
FINANCIAL SYSTEM

"Permit me to issue and control the money of a nation, and I care not who makes its laws."

- Mayer Amschel Rothschild



"Banking institutions are more dangerous to our liberties than standing armies. If the American people ever allow private banks to control the issue of their currency... the banks and corporations that will grow up around the banks will deprive the people of all property until their children wake-up homeless on the continent their fathers occupied."

- Thomas Jefferson

THE ONE AND ONLY RELIGION
